

{audio}files/preroll.mp3;files/Shows/2010/032510\_For\_Your\_Information\_Carter\_Wrenn.mp3{/audio}

Carter Wrenn, co-publisher of the Talking About Politics blog, joined Rick Martinez to discuss unemployment and health care problems on the local and national level. They touched on the jobs bill just signed by President Obama, the bleak economic climate and whether it may look up any time soon and the allegations of corruption that have shown up in several different areas of state government in recent months.
