RALEIGH, (SGRToday.com) - State Auditor Beth Wood's office has released its financial statement audit of NC State University, concluding there are no reportable findings.

In the transmittal letter of the results, Wood states:

"We have completed a financial statement audit of North Carolina State University for the year ended June 30, 2014, and our audit results are included in this report. You will note from the independent auditor’s report that we determined that the financial statements are presented fairly in all material respects.

The results of our tests disclosed no deficiencies in internal control over financial reporting that we consider to be material weaknesses in relation to our audit scope or any instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.
