RALEIGH, (SGRToday.com) - A quickly called Friday meeting of the UNC Board of Governors will focus in on the search for a system president to replace Tom Ross.

The agenda for the meeting states one agenda item, which will be discussed in closed session:

"Report of the Search Committee and Candidate Review"

The meeting will be held at SAS in Cary.

Speculation is rampant over who the board will choose and whether or not the public should know the identity of the three finalists.
