RALEIGH, (SGRToday.com) - With thousands of Baby Boomers retiring each day, it's not just the federal government feeling the weight of entitlements.

An ebook produced by Governing magazine focuses on the impact of the aging population on local governments.

"An Earth-Shattering Ka-Boom" includes chapters on:

- Is Your City Age-Friendly?
- Safe Behind the Wheel?
- Can You Imagine Being 85 and Homeless?
- The Changing Face of America

The book can be downloaded for free at
