RALEIGH, (SGRToday.com) - Gov. Pat McCrory on Wednesday signed into law Senate Bill 4, which prohibits North Carolina from expanding Medicaid under the Affordable Care Act - ObamaCare.

The governor's office released the following statement about the law. "In my first eight weeks as governor I've had to make some difficult decisions. My team conducted a thorough review of the Affordable Care Act and its impact on North Carolina. Before considering Medicaid expansion, we must reform the current system to make sure people currently enrolled receive the services they need and more taxpayer dollars are not put at risk."
