---

RALEIGH, (SGRToday.com) - Following a gas tax compromise announced by state legislative leaders, in which the state portion of the gas tax will drop from 37.5 cents to 36 cents per gallon, Gov. Pat McCrory issued the following statement. Another penny would be eliminated next year and then another in the summer of 2016.

=-----

"This proposal protects and stabilizes gas tax revenue so we can fund important transportation priorities that connect communities throughout our state. I appreciate the spirit of cooperation by House and Senate leaders in working to reach this bipartisan compromise."
