RALEIGH, (SGRToday.com) - Heading into the 2016 election season, in which every member of the U.S. House of Representatives will be up for re-election, a new survey shows it could be a very tight race.

Data from Rasmussen shows 39 percent of likely voters would choose the Republican congressional candidate, while 38 percent would choose the Democrat.

Twenty-four percent continue to prefer a third-party candidate or are undecided.
