

Forsyth County Unveils New CivicWeb Portal

By Administrator

Wednesday, 05 May 2021 08:37 -

Forsyth County Government has a new CivicWeb Portal for county commissioner meetings that will give residents easier access to meeting information. The new portal can be accessed at <https://coforsythnc.civicweb.net/Portal/> or by going to the commissioners' page at <https://forsyth.cc/Commissioners/>. The new site contains meeting schedules, agendas, minutes, and videos, along with information on each county commissioner.

The new additional features of the site include:

- A calendar that lets residents see future and previous meetings by date, and a Meetings tab that sorts meetings by type
- A search feature that finds keywords in agenda items and even in meeting videos
- The ability to sign up for e-updates on upcoming meetings
- A live streaming option, that lets users watch the meetings as they happen

County commissioners meetings and briefings begin at 2 p.m. on most Thursdays and are broadcast live on WSTV 13. Meetings will continue to be streamed live on the county's Facebook page, Vimeo, YouTube and the WSTV 13 website.
